

From Junction 13 of M5

1. Take the A419 from the M5 J13 Motorway follow the signs to Stroud
2. From Stroud follow the A419 towards Cirencester for approximately 2 miles until you reach Thrupp.
3. The turning for Kingfisher Business Park is on the right-hand side approximately 100 metres past a corrugated iron chapel, painted blue, also on the right-hand side. (if you reach the Wagon and Horses Pub on the left you have gone to far)
4. After turning from the main road go down the small hill and cross over the river bridge. Go through the metal gates ahead of you and turn left in between the Mobile Air building and the Clearwater factory. The Air Science offices (unit B) are straight ahead of you.
